SE Comp B 26

Roll. No : 9994

Applying for posts:

1. **Jr. Technical Head**
2. **Jr. Event Head**
3. **Jr. Marketing Head**

Individual Qualities:

- I am a confident and a very practical individual and have eagerness to learn more about computers and web development.
- As self-motivated individual I can work with responsibility to the best of my ability. Am curious about learning new things and sceptical too.

Technical Skills:

- Have a fair knowledge of C-Programming.
- My coding skills might not be that great, but I am keen on learning them given an opportunity.
- I also have very basic knowledge about Python.

Leadership & Communication:

- Have good communication skill and can manage tasks well.
- Was also an active member of the student council of my school for two years. Gained experience of managing different events and tasks. It also taught me how to face problems and gave me a lot of confidence.
- I believe in teamwork and can lead a team from the front. I am very keen on joining CSI, given a chance, to develop my technical skills and contribute to the association. It will really help me learn under the guidance of my seniors.

Academic Qualification:

- Pursuing Computer Engineering at Fr CRCE ; Sem1- 7.61
- Passed HSC exams held in March 2022 from PACE Jr. Science College with 81.33%
- Passed SSC exams held in March 2020 from Balmohan Vidyamandir with 93.80%

Extra-Curricular:

- Playing Football
- Badminton
- Cycling
- Painting
